

“A Call for Employment Success Stories”

Dear SEMP Director,

OPWDD would like to highlight the work of our providers who on a daily basis assist individuals with disabilities to obtain and maintain integrated, competitive employment in the community.

Please answer a few questions about an individual that your agency supports who entered the working world and has great success story to share. If your success story is selected for publication, we will contact you for further information.

Thank you!

**Office for People With
Developmental Disabilities**

A Success Story from _____
